tor - ious, thy great name we praise.

Unresting, unhasting, and silent as light,
Nor wanting, nor wasting, thou rulest in might:
Thy justice like mountains high soaring above
Thy clouds, which are fountains of goodness and love.

To all life thou givest - to both great and small;
In all life thou livest, the true life of all;
We blossom and flourish like leaves on the tree,
And wither and perish; but nought changeth thee.

Great Spirit of glory, pure source of all light,
Thine angels adore thee, all veiling their sight;
All laud we would render: O help us to see
'Tis only the splendour of light hideth thee.
