Walk in the Light

Sydney Carter (sample)

There's a light that was shin-ing when the world beg-an, And a

light that is shin-ing in the heart of Man, There's a light that is shin-ing in the

Turk and the Jew, And a light that is shin-ing friend, in me and you.

Walk in the light, wher - ev - er you may be, Walk in the light, wher -

ev - er you may be! In my old leath - er breech - es and my

shag-gy, shag-gy locks, I am walk-ing in the glor-y of the light, said Fox.
